

SCHOOL TAX PAYMENT INFORMATION

PAYMENT BY MAIL: The U.S. Postmark on the payment envelope will be used to determine the date of payment and the amount of interest or late payment charges due for that payment. School tax payments delivered by the U.S. Postal service after the due date that do not contain an official U.S. Postal Postmark but rather a "postage meter" mark are not considered timely. Payments with insufficient interest or late payment charges will be returned to you.

ON-LINE BANK PAYMENTS: Most banks discourage the use of on-line banking for tax payments because they cannot guarantee your payment will be delivered to our office by the due date. If you utilize on-line banking, you do so at your own risk.

FULL PAYMENT: If your school district requires your taxes to be paid in one full payment, please follow these instructions.

SEPT 1 - OCT 1: Pay total amount of bill to the collector named on the front of this bill.

OCT 2 - OCT 31: Add 2% late payment charge to total tax due. Mail to the collector named on the front of this bill.

NOTE: Town of Sweden property owners, add 3% late payment charge to total tax due.

However, if your property is in one of the following towns, call the County Treasury at 753-1200 for the exact amount due: Clarkson, Hamlin, Riga, Rush, Wheatland, East Rochester.
